GRACE HOUSE CHRISTMAS JUMPER DAY

On Wednesday 8th December we supported Grace House in their Christmas Jumper Day. Grace House supports children with disabilities and their families across the North East. Grace House provides families with access to youth groups, family support workers, job opportunities and projects that families can get involved with. Everyone in the office was in the festive spirit and wore their best Christmas jumper. If you would like to support Grace House too, visit the link here

CHRISTMAS PARTY

Due to the busy schedules of a few of our employees we had our annual Christmas party in November. We celebrated the festivities at Central Oven and Shaker and we had a great time. We especially enjoyed the cocktail trees and we think the Social+ team might have to return for business meeting next year!

Client Testimonial

"I think that my business profile has expanded massively since my association with Social+. The reason being, my website is first class. How do I know this? I have customers who come to the studio and tell me they love my website. The content is constantly changing, the feedback that I get is that people come to me because of my website. Therefore Social+ have been a very valuable investment for me."

THE LAMP ROOM

The Lamp Room is a welcoming coffee house and Bistro restaurant that's situated in a prime location on Seaham Harbour. The restaurant provides a range of options on their menus from breakfast to tapas, surf and turf to Sunday Lunch.

The Unite Group have recently been working with The Lamp Room by providing network support. We have replaced their three existing separate systems with with a single managed system that runs Guest WiFi, Tills, and Office networks. These are all backed by Business Broadband, with 4G backup, which unfortunately has already been used following storm Arwen. We have also installed a hosted phone system, which for easy call routing and recording. Guest WiFi is being provided by our Managed Horizon service.

If you would like to make a reservation at The Lamp room visit here <https://thelamproom.co.uk/online-booking/>.

NORAH'S NORTH POLE

Norah's North Pole is a non-profit organisation based in Sunderland - with the aim of no children waking up on Christmas Day without any presents. The organisation is run by a family who were inspired by their late Grandma, Norah, who lived by the motto 'it's nice to be nice'. Every year the family would make Christmas boxes for children who would go without, and they have carried on this tradition - delivering nearly 14,000 Santa Sacks to children in the North East over the past 6 years. Seeing the posts on their social media pages, pulled at the heartstrings of our staff in the office. We think that this is an amazing cause and we plan to become a drop off point for local donations in 2022.

We would be extremely grateful if our clients could help too! Even a like and share on social media goes a long way, however, it's not too late to donate. You can donate to their amazon wish list here <https://www.amazon.co.uk/hz/wishlist/ls/151L4QTOH1HDQ> or their go fund me page here <https://www.gofundme.com/f/z297mb-norahs-north-pole>.

We would like to thank Eloise for being a brilliant asset to the Social+ team. Eloise started her placement with us in September, for her Digital Marketing Masters at Northumbria University. Eloise has managed a number of social media accounts and has provided a wealth of knowledge whilst working here. And we are even happier to announce that Eloise will be joining the Social+ team permanently on a part time basis in the New Year whils she finishes her degree. We can't wait to see what the future holds for you Eloise!
