## Golf Days

The Unite Group will be walking the fairways in the next couple of months in aid of some excellent local charities. Unite have recently attended the Grace House Charity Golf Day played on the Prince Bishops course at Ramside; it was a fantastic day raising over £10,000! We are also supporting the VE Charity golf day supporting Veterans at Ease on Friday 29th July and we will also be at The Golf Day for Sophie at Wearside golf club raising funds for The Sick Children's Trust on 31st August.

## We celebrate 1 year of our newsletter

July marks 1 year since we sent out our first newsletter! We have found it a great way of keeping our customers up-to-date with the latest deals, tips, industry news as well as what our fantastic team are getting up to! We hope you continue to enjoy reading our monthly newsletter!

# Back to Networking

Following the success of the recent Network+ event hosted at Motel One, we are excited to announce our next event on Tuesday 13th September.

In August we will be taking a break from events as we know how busy the summer is from holidays, to the kids being off school; fitting an evening of networking in would seem impossible for most! So, we plan for our big return as working life goes back to normal in September.

Come along and network for FREE with likeminded and ambitious individuals, all whilst enjoying your first drink on us!

Tickets are available at <https://www.eventbrite.co.uk/e/back-to-networking-tickets-389216365627>

For any general queries contact us on 0191 466 1050 or email [info@theunitegroup.co.uk](mailto:info@theunitegroup.co.uk)

## WELCOME TO THE TEAM

Last month we welcomed two new members to the Social+ team. Elena and Caitlin have come on board as our two new Digital Marketing managers. They bring with them a range of different experiences and are proving to be a huge asset to the team. If you are following Social+ on TikTok then you will have already seen them in action!

## ARE YOU CONNECTED WITH US ON SOCIALS?

If you don't already you can follow us on Facebook @TheunitegroupLtd and on Instagram @theunitegroup, we are also on LinkedIn @TheUnite Group.

If you want to sign up for our mailing list you can do so by dropping us an email at [info@theunitegroup.co.uk](mailto:info@theunitegroup.co.uk)

# We are Hiring

## TUMBLE GYMNASTICS & ACTIVITY CENTRE

Tumble Gymnastics and Activity centre in Benton have been a customer of ours since they opened in 2020.

Tumble is the ideal space for young children, with daily sessions and an amazing outside space to play; it really is a hidden gem. Based inside the centre is The Coffee Vault, offering freshly made food and drinks.

They offer a range of activities including:

- Baby and Toddler sessions
- Pre-School Gymnastics
- Recreational Gymnastics
- TeamGym Competitive Gymnastics
- Disability Gymnastics
- Aerial Beats
- Fitness Suite
- Coffee Shop
- Personal training with JF Coaching
- Seasonal activities

With a busy summer timetable coming up you can check out what they have on offer at [www.tumbleactivity.com](http://www.tumbleactivity.com)

## Systems Administrator

Due to continuing growth The Unite Group are seeking an experienced System Administrator to join our team.

The role will require the candidate to provide level 3 escalated support to the helpdesk when required, work within the projects team to plan and deliver IT infrastructure and services to clients and provide support to the helpdesk if when required.

If you know anyone with these skills who would like to join the team here at Unite please feel free to introduce us to them!

For any general queries contact us on 0191 466 1050 or email [info@theunitegroup.co.uk](mailto:info@theunitegroup.co.uk)

## Cyber Essentials

Here at The Unite Group, we are always working hard to prevent & educate on cyber attacks for our clients. Cyber Essentials help you guard your organisation against cyber attacks. Cyber Essentials is an effective, Government backed scheme that will help you to protect your organisation from a variety of the most common cyber attacks. Cyber Essentials can help companies of any size and they demonstrate your commitment to cyber security.

The majority of cyber attacks are very basic and carried out by unskilled individuals, Cyber Essentials advises you how to prevent these attacks on your business.

Cyber Essentials allows you to attract new business with the promise that you have cyber security measures in place and allows you to have a clear picture of your organisations cyber security level.

The Cyber Essentials certification covers many areas, including firewalls, secure configuration, user access control, malware protection, security update management and more. The certification lasts for 12 months and is regularly updated to ensure businesses are protected against novel attack methods. You will be pleased to know this is something that The Unite Group can help with.

Contact Dean at [Dean@theunitegroup.co.uk](mailto:Dean@theunitegroup.co.uk) to discuss further.
