WE'RE HIRING!

NETWORK+ BACK TO NETWORKING EVENT

SOCIAL MEDIA TRAINING

TEAM UNITE TRAIN FOR THE GREAT NORTH RUN!

We are pleased to say 4 members of our team: Callum, Paul, Ben & Amy will be running the Great North Run for Grace House this year! The training has begun and competitiveness is starting to grow in the office!

The Unite Group are big supporters of Grace House as they are a great local charity who provide fantastic services to disabled children & their families across the North East. They offer short breaks for disabled children, family counselling, family activities, youth groups and so much more!

Any donations would certainly make the 13.1 mile run easier for Team Unite, please use the link below to sponsor our team!

Back to Networking

Following the success of the recent Network+ event hosted at Motel One, we are excited to announce our next event on Tuesday 13th September.

After our slight break we are ready to get back to our monthly evening events and get making great, local connections once again.

Hosted in the amazing Alchemist Newcastle, this event promises to be a great evening for informal networking - the perfect excuse for after-work drinks!

Come along and network for FREE with likeminded and ambitious individuals, all whilst enjoying your first drink on us!

Tickets are available at <https://www.eventbrite.co.uk/e/back-to-networking-tickets-389216365627>

Well Done Rob!

ROB IS NOW A CYBER ESSENTIALS ASSESSOR!

We would like to pass on our congratulations to Robert, our Senior Project Engineer who has recently passed his qualification to be a Cyber Essentials Assessor.

The Cyber Essentials Assessor qualification means Robert can assess our customers security, offer advice and ensure they are aware of any security vulnerabilities. Robert will also be able to assist with the online process and is now qualified to assess companies for compliance with the Cyber Essentials accreditation and eventual award of the Cyber Essentials certificate.

WHAT IS CYBER ESSENTIALS?

Cyber Essentials is a Government-backed and industry-supported scheme that allows businesses to protect themselves from cyber-attacks. The scheme lays out a clear statement of the basic cybersecurity measures an organisation should have in place to protect themselves from the growing threat of attacks.

To find out more, contact us today!

We are Hiring

Systems Administrator

Due to continuing growth The Unite Group are seeking an experienced System Administrator to join our team.

The role will require the candidate to provide level 3 escalated support to the helpdesk when required, work within the projects team to plan and deliver IT infrastructure and services to clients and provide support to the helpdesk if when required.

If you know anyone with these skills who would like to join the team here at Unite please feel free to introduce us to them!

For any general queries contact us on 0191 466 1050 or email info@theunitegroup.co.uk

NPS

The importance of

DIGITAL MARKETING

for your business!

Social Media Training

Using social media for your business opens up the opportunity to get your company in front of a whole new audience as well as enhance existing customer relationships!

Are you on social platforms? If so, does your business fully utilise these platforms? Are you confident you are posting the correct content?

Our in-house digital marketing team, Social+, are able to offer you their expertise in Social Media Management, Email Marketing, Web Design and Maintenance as well as Social Media Training so you can make sure your business moves forward with a strong online presence. Having an online presence is so important, but what is more important is how you use it. We work with our clients to create the best strategy for their business from choosing the right platforms to be on, creating engaging content for your audience, and finding your people.

Would you be interested in some one-off training to guide you and your employees on how to ensure you get the most out of your social platforms?
