NORAH'S NORTH POLE

## WE ATTENDED THE BUSINESS SHOW

Our expos for 2022 come to an end! In November we attended The Business Show at the ExCeL in London.

Some of our team travelled down and enjoyed 2 days of chatting with plenty of new faces. Our spin the wheel proved to be a hit and we often had a queue of attendees waiting for a turn! We have since had many meetings with businesses all over the country who are interested in our services.

Emma, our Social+ MD, also was a speaker on the panel of experts about Digital Transformation in the New Digital Age: Innovating Customer and User Experience. She did great and it was very informative.

It was an amazing few days and we are already looking forward to attending again next year! We have plans to attend more expos than ever in 2023 so be sure to look out for us!

# Upcoming Events

## Cocktails & Candy Canes

In support of  
**Grace House**

Here it is, the next Network+ evening networking event - Cocktails & Candy Canes!

Join us on 15th December 5-7pm at The Lofts Newcastle for an evening of informal networking with your first drink on us!

This event is in support of Grace House with £2.50 from each ticket to be donated directly to the charity.

Sign up today to avoid disappointment:

# Norah's North Pole

## Amelia, aged 12

Two years ago Amelia lost her Mum to cancer. Since then Amelia's Dad has struggled, he has sought help with alcohol addiction and feels like he is constantly letting Amelia down. Amelia is a bright girl who is far older than her years, she makes herself breakfast and dinner but says some weeks there is just enough money to do a food shop. Last year Amelia didn't get anything for Christmas so she isn't asking for anything this year.

## Tom, aged 4

Tom is a quiet, thoughtful little boy. He requires lots of reassurance from school staff and tells them that he is frightened of the dark. Tom has recently been removed from his parents' care as his needs were being neglected. He talks about hiding under the stairs because he was frightened when his mam left him in the house by himself overnight. Tom likes to play with cars, trucks and trains and wants to 'fix them when he's bigger'.

## WE ARE SUPPORTING NORAH'S NORTH POLE!

Again this year, The Unite Group, are proud to support Norah's North Pole. Norah's North Pole works right here in the North East providing a small sack of Christmas presents to those children who would go without. All the stories of children are real just with the names changed for anonymity.

Many of the children only ask for basic things such as pyjamas or a packed lunch box to fit in with their peers at school. Norah's North Pole provides these children with a small sack with gifts inside such as toys, a book, hats & gloves ect. These are gifted to the parents/carers of the children so that they can give them to the child on Christmas morning.

Many children with difficult home lives will wake up this Christmas wondering if they've been naughty this year and that's why Santa hasn't been for them like he has for their friends at school! Here at The Unite Group, we can't bare the thought of this and that is why this year we are not only donating gifts as well as our time packing gifts at Norah's North Pole but we are also becoming a drop-off point. If you would like to join us in supporting this fantastic cause please feel free to drop off gifts to our office: 126 Great Lime Rd, Newcastle upon Tyne, NE12 6RU or donate via the Amazon list and have them delivered directly to the elves at Norah's North Pole HQ - [www.amazon.co.uk/hz/wishlist/lis/16AFIEH6S135K](http://www.amazon.co.uk/hz/wishlist/lis/16AFIEH6S135K)

**Join us in helping to ensure every child wakes up to a gift off Santa this Christmas in our region!**
