PAUL JETS OFF FOR THE MICROSOFT SMB SECURITY SCHOLARSHIP!

Our director, Paul, was delighted recently to represent The Unite Group at the Microsoft SMB Security Scholarship event. This advanced training event was held between May 16th -18th at the fabulous Cap Vermell Grand Hotel on the Balearic Island of Mallorca, in Spain.

The program was for the top 100 SMB partners for selling Microsoft security products over a selected period, a lovely reward for Paul and recognition of the hard work our team at The Unite Group put in to keep our clients safe and secure.

The scholarship offered The Unite Group the chance to discuss products and best practices with 100 of our peers to ensure we are providing our customers with the best advice and products in the Microsoft suite of security products.
