MERRY CHRISTMAS & A HAPPY NEW YEAR!

WE SUPPORT NORAH'S NORTH POLE!

We are proud to once again support Norah's North Pole!

For the second year in a row, we volunteered as a drop off point for donations.

Norah's North Pole operates right here in the North East. Providing a small sack of Christmas presents to those children who would otherwise go without!

This year we wanted to support them in delivering many more! The Norah's North Pole elves work with schools and social teams to ensure Santa sacks get to the most vulnerable children in the North East.

We would like to say a big thank you to everyone who donated and used us as a drop-off point. We'd also like to give a big shout-out to the lovely family that runs Norah's North Pole, the work they do is amazing!

Upcoming Events

Here at The Unite Group, we are the proud sponsors of Network+ events. These networking events are the perfect opportunity to find new potential opportunities.

The next event will take place on Wednesday 24th January at ChachaBuchi, Newcastle from 5pm - 7pm.

Join us for this FREE event and enjoy your first drink on us!

Come along and have a chat with some of our team!

CLIENT SPOTLIGHT: CHAKH DHOOM

Our team at Social+ recently organised and attended a soft opening for one of our new clients, Chakh Dhoom.

Chakh Dhoom is Jesmond's newest addition as an Indian Street Food hotspot! Bringing the flavours of the Indian streets straight to your plate.

The soft opening was a great success with the restaurant being at full capacity and lots of positive feedback.

The ambience was amazing, the food was delicious, and the Jazz Musicians and Indian dancing was fabulous. It was a great night and our team was able to gather some good content.

PROTECT YOUR BUSINESS IN 2024

In 2024, safeguarding your business against cyber threats is paramount.

Cyber Essentials is a vital cybersecurity framework that serves as a cornerstone for protecting businesses against online threats. It encompasses a set of fundamental security measures and best practices designed to safeguard organisations from common cyber risks.

At The Unite Group, we understand the unique challenges businesses face. That's why our team are fully qualified Cyber Essentials practitioners and therefore can assess your application as well as guide you through the process. We manage the entire process for you from the initial audit, remedial works, and certificate issue.

WELCOME BACK

COURTNEY

We'd like to welcome back Courtney to the Social+ team, as our newest Account Manager!

Courtney brings with her a wealth of industry knowledge and she's already settled right back into the team.

We can't wait to see Courtney grow throughout the new year and thrive in her new Account Manager Role.

Courtney will be out and about meeting with existing clients as well as attending networking events, so be sure to say hi!

If you'd like to chat to Courtney or any of our Social+ team about the services we offer, please don't hesitate to get in touch today!
